

# Go-Mark Liquids

## INTRODUCTION

**Go-Line Marking Liquids**, available in white and colours, have been used by major sports facilities and schools for many years. The liquids are designed not to damage turf. **Dura Paints** is a manufacturer and market leader in these types of products. We supply throughout South Africa.

## FEATURES

- **Go-Mark Marking Liquids** are Water Based, Lead Free, Solvent Free, contain no VOC's and are Formaldehyde Free.
- **Available in:** White, Blue, Green, Yellow, Red, Orange and Black.
- **Pack sizes:** 10L and 25L (25L - white only)

# Go-Flush Cleaning

## INTRODUCTION

**Go-Flush** is a cleaning agent to be used in conjunction with **Go-Line Marking Equipment**. **Go-Flush** is formulated to clean and lubricate the piping and working parts of all **Go-Line 30** and **Go-Spray Machines**. **Go-Flush** will help prevent blockages and reduce wear and tear on the machines. **Go-Flush** will not harm turf and is compatible with all **Go-Line Marking Liquids**.

**Mixing instructions:** 50ml Go-Flush to 2L water.
