

GO-SUPREME TURF MARKING LIQUID

GL002

PRODUCT CODE: GO SUPREME WHITE : GOSPRW10 (10)

PRODUCT DESCRIPTION: *GO-SUPREME turf marking liquid* is a water based, concentrated, high covering coating specially formulated for the marking of grass playing fields.
GO_SUPREME turf marking liquid is designed to spray through any line marking machine without dilution using a universal nozzle.
GO_SUPREME has improved volume solids – whiter and brighter, excellent coverage, greater hiding and improved durability.

INTENDED USES:

- **GO_SUPREME** turf marking liquid is designed for the marking of grass- soccer, rugby, cricket, hockey, netball, volley ball and athletics tracks.
- Can also be used to paint logos on fields and other surfaces.
- Can be used to paint temporary parking bays or for the demarcation of areas for special events.
- Can be used to mark trees for felling or directional arrows on tree bark.

FEATURES:

- *GO-SUPREME turf marking* liquid is whiter and brighter.
- *GO-SUPREME turf marking liquid* lasts longer. No need to mark as often.
- *GO-SUPREME turf marking liquids* is an environmental friendly concentrate. **NO WATER** required.
- *GO-SUPREME* is convenient. Simply stir and apply.
- *GO-SUPREME turf marking liquid* is the “plug and play” option for field marking. *No Fuss. No mess.*
- *GO-SUPREME turf marking liquid* manufactured locally by “South Africans, for South African conditions”.
- *GO-SUPREME* is designed to run through any line marking machine.
- *GO-SUPREME* packaging has been designed for ease of use across various machine designs in the market (on “container ride on machines” or in machines with tanks.)
- *GO-SUPREME* saves time and produces great field marking results, given the improved formulation and hiding performance.
- *GO-SUPREME turf marking liquids* will not harm TURF:
 - Water Based,
 - Lead Free,
 - Solvent Free,
 - Low VOC's
 - Formaldehyde Free.
- Specially formulated to grow off with the grass, not wash off.
- *GO-SUPREME* is subject to an ISO 9001:2015 quality control process.

PRODUCT INFORMATION:

- COLOUR Bright White
- S G @ 25°C 1.35 typical
- VISCOSITY @ 25°C 55 to 60 seconds KU

APPLICATION DETAILS:

- MIXING METHOD Stir thoroughly with a flat paddle before adding to tank. Spraying
- THINNING Not recommended
- CLEANING Water / **GoFlush**
- SUBSTRATE Grass, shale, clay, tarmac and dirt surfaces
- APPLICATION ENVIRONMENT

Min 10°C or 2°C above dew point	Min 10°C or 2°C above dew point	Min: 10%
Max: 50°C	Max: 50°C	Max: 85%

- DRYING TIME Touch dry 10 min @ 25°C
Dry to handle 30min @ 25°C

GO_SUPREME TURF MARKING LIQUID (cont.)

STORAGE AND PACKAGING:

- Store away from direct sun, heat and severe cold. Do not exceed 50°C.
- Keep containers tightly closed.
- Packaging. White 10lt Jerry Container.
- Shelf life. 12 months from date of manufacture when correctly stored and unopened.

TRANSPORTATION:

SHIPPING NAME:	Not classified
PACKAGING GROUP:	Not classified
HAZARD CLASS:	4-H-C
S.I.N/UN NUMBER:	Not classified dangerous for transport

SURFACE PREPARATION: Ensure turf is dry before applying GO_SUPREME.

- Stir **GO_SUPREME turf marking liquid** thoroughly before use.
- Pour **GO_SUPREME turf marking liquid** through a strainer into line marking machine or application device.

APPLICATION:

- **GO-SUPREME turf marking** liquids is a concentrate. No water needs to be added.
- **Depending on the turf marking equipment** the product can either be poured directly into the desired line marking machines tank or used as the "tank" on certain line marking equipment.
- A universal nozzle is required for best results.

CAUTIONS:

- Do not paint during inclement weather or if temperature is below 10°C.
- Never add thinners/solvent to this product.
- **Line marking machine or application devices need to be cleaned on a regular basis to remove sludge and contaminants. Failure to do so may result in product failure which is beyond the control of the manufacturer. Flush out equipment with Go Flush.**
- **Note: Battery performance and different pump specs effects the mileage you will get out of the product.**

SAFETY PRECAUTIONS:

- Keep container out of reach of children.
- Ensure good ventilation during application and drying.
- In case of skin contact, wash with soap and water or a recognized skin cleaner. Avoid contact with eyes
- In case of contact with eyes rinse immediately with plenty of water and seek medical advice if symptoms persist. If ingested give plenty of water / milk. Do not induce vomiting. Seek medical attention.
- Refer to Material Safety Data Sheet for complete information. See www.durapaints.co.za.
